

Whether you prefer the efficiency and convenience of apartment living or the added space and privacy of a patio home, you'll find it here at Richfield. **Knollwood Apartments**, **Richfield Lake Estates**, and **Ridgecrest Apartments** offer housing options to meet virtually every need and personal preference. We realize that finances are a common concern for many seniors as they consider choices in retirement living. Here, you have several options designed to make your cost of living as affordable and closely matched to your needs as possible. These include both renewable rental agreements and life-lease plans for optimum flexibility.

Should your health or the health of a loved one change, you'll have access to a full continuum of health care services, without leaving the Richfield campus.

Rehabilitation, assisted living and long-term nursing care are all just steps away from your door. Complimentary on-campus transportation is provided to ensure that residents stay connected with friends and family should their needs change.

Additionally we offer twenty-four hour security and a licensed nurse for wellness checks. Richfield is located near the City of Salem, home of Roanoke College.
